

Summer Break

The band will be taking a break over the summer holidays. Final practice will be on the 29th of July with band starting again on the 2nd of September (just before the schools start back).

During this time, please ensure you keep your instrument in good working order. Give it a good clean (bath it in warm soapy water), and ensure the valves and slides are lubricated. It may also be wise to look at replacing springs and pads where appropriate. Speak to a bandleader if you are unsure what you should be doing.

15th Birthday BBQ

Hopefully all of you should have received invites to our band BBQ on the 3rd of September. Please try and return your slips and monies to your bandleader as soon as possible. If you haven't had an invitation please speak to your bandleader, or Sarah Cable.
