

Practice on the 13th of March - Important!

Please note that on the 13th of March, a joint Preliminaries and Intermediates practice will occur at St. Michael's Church.

Brett Baker

A quick thanks to everyone who attended the Brett Baker workshop and concert held last weekend.

We're all agreed that the event was a brilliant success. We all hope that you had a great time, and learnt loads from having Brett around.

We'll be sure to take on his exercises, so get your rags and mouthpieces ready!

Martlesham Brass Summer Fayre - 13th June 2009

Don't forget that this year we are asking families to get involved to run their own fundraising stall, I am sure there are some wacky ideas out there; the band are happy to provide prizes if necessary - see it is a chance to get creative! Any ideas to come to Jayne Howlett or Chris Beale please.

More Fayre news to follow in future newsletters!

Theory Lessons

Is anyone interested in learning more about music theory? If so, please let your bandleader know! Thanks.

Hillside Primary School

The band have recently donated both instruments and gig bags to a local primary school, Hillside Primary, due to the involvement of Nina Harvey in establishing a brass group there. This donation has been picked up by the local newspaper.
